

## SONBESET SG series product catalogue

To 2019-4-8 ,SONBEST had developed 585 products, which are divided into the following categories according to different communication methods: SM series: wired communication products, SZ series: ZIGBEE wireless communication products, SW series: WIFI series products, SG series :GPRS series products.

This article mainly introduces SM series wired communication products, including sensors and acquisition modules and transmitters based on RS485, current, voltage, CAN bus. SG series wired communication products are available in 6 varieties according to the shape.

SG02 series products actually have 1 products, the graphic display is shown in the following table.

 <p>SG0290B Price ¥380 Small weather station</p>

SG32 series products actually have 1 products, the graphic display is shown in the following table.

 <p>SG3200C Price ¥ 3000 GPRS wireless cable temperature remote data recorder</p>			
--	--	--	--

SG33 series products actually have 1 products, the graphic display is shown in the following table.

 <p>SG3390 Price ¥0 GPRS indoor CO2 temperature and humidity integrated sensor</p>			
--	--	--	--

SG50 series products actually have 12 products, the graphic display is shown in the following table.

 <p>SG5030I-3560 Price ¥ 780 GPRS illuminance sensor</p>	 <p>SG5030V Price ¥ 380 GRPS voltage signal acquisition remote module</p>	 <p>SG5030V-3001 Price ¥ 780 GPRS soil moisture sensor</p>	 <p>SG5030V-3002 Price ¥ 780 GPRS soil moisture temperature integrated sensor</p>
--	--	--	--

			
<p>SG5030V-3370 Price ¥780 GPRS carbon dioxide sensor</p>	<p>SG5030V-KEC Price ¥6500 KEC900+ Forestry Professional Negative Ion Measuring Instrument GRPS Kit</p>	<p>SG5090A Price ¥380 GPRS data transmission module wireless serial port digital transmission module</p>	<p>SG5090B Price ¥380 GPRS data transmission module RS485 to GPRS</p>
			
<p>SG5090B-3002 Price ¥680 GPRS wireless soil moisture temperature integrated sensor</p>	<p>SG5090B-3590 Price ¥680 GPRS wireless illumination temperature and humidity integrated sensor</p>	<p>SG5090B-3990 Price ¥980 GPRS wireless carbon dioxide, illuminance, temperature and humidity integrated sensor</p>	<p>SG5090B-5110 Price ¥680 GPRS wireless belt display large screen temperature and humidity display</p>

SG52 series products actually have 2 products, the graphic display is shown in the following table.

			
<p>SG5290 Price ¥380 GPRS data transmission module</p>	<p>SG5290Z Price ¥680 ZigBee to GPRS gateway</p>		

series products actually have 1 products, the graphic display is shown in the following table.
